### Student Poster Competition & Exhibition Celebrating Existential Analysis

The ideal opportunity for students to share their research interests or completed dissertations in a relaxed and informal way. See our website for full information and list of student prizes. The Exhibition is an opportunity for delegates to find creative ways to celebrate and display their work as Existential Therapists, Teachers and Researchers.

### Tickets

Book early as tickets for this exciting conference are limited. Entrance will be by tickets only available from our website - Members £89, Non-Members £99 and Students £79. For full information about the conference please visit our website.
